

HOW TO MEASURE YOUR EXISTING BUTTERFLY CHAIR FRAME FOR A NEW COVER

To make a replacement cover for your frame we need to know the following measurements:

1. The distance between the midpoints of the tops of the shoulders:

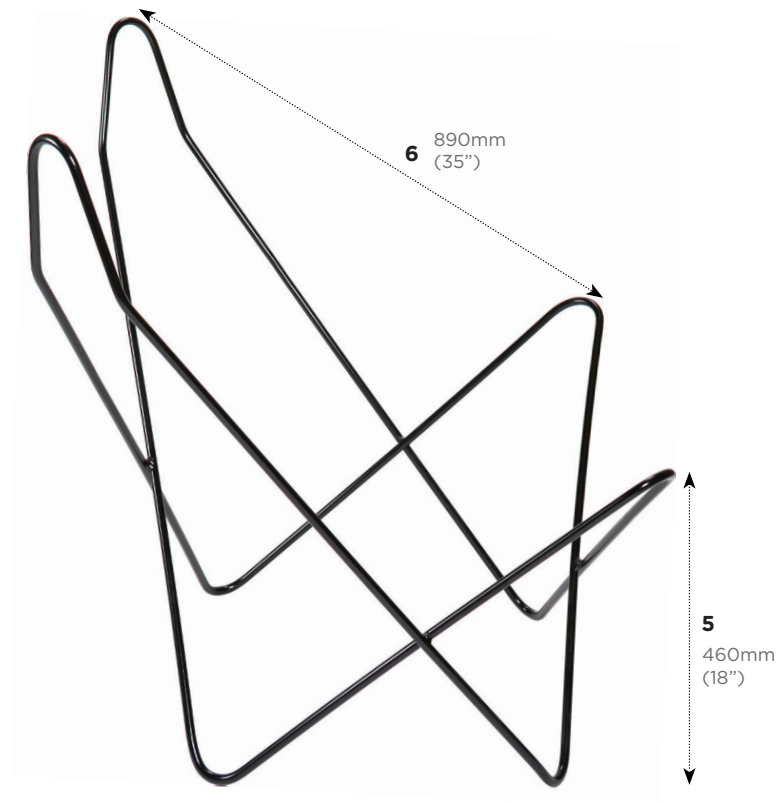

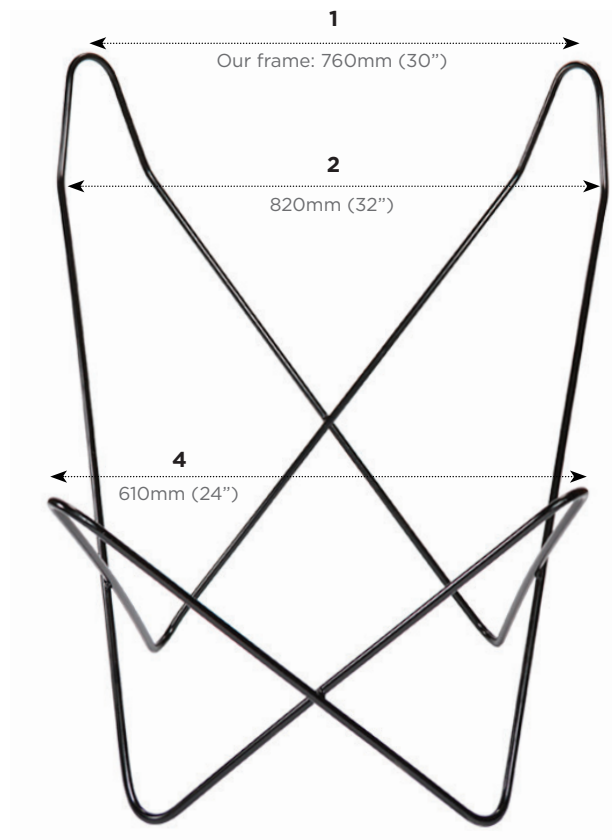

2. The distance between the widest part of the shoulders:

3. The height of the shoulders from the ground:

4. The distance between the midpoints of the knees:

5. The height of the knees from the ground:

6. The distance from the shoulders to the knees:

Your name and contact details.

Send the dimensions, along with your preferred cover option (vintage, plain or combination) and choice of binding to: relax@thebutterflychair.com.au or 62 Doveton Street, Castlemaine VIC 3450. Any queries call Elizabeth Geddes on 0427 387 719.

Please double-triple-quadruple check your measurements as we cannot issue refunds for bespoke covers (as we cannot sell them on).
